

Access Controller [M series]

Model	ASC-ME12	ASC-ME24
Control Mode	One-door two-way or two-door one-way	Two-door two-way or four-door one-way
Processor	ATMEGA64	
Reading Distance	Wiegand26/34, Self-defined Wiegand Interface	
Card Capacity	20000pcs	
Event Record	50000 event	
Alarm Recrd	20000 event	
Communication Interface	TCP/IP	
Communication Rate	2 readers + 8 input interface	4 readers + 12 input interface
Input Interface	6 + extension interface	8 + extension interface
Working Voltage	DC 9~15V	
Working Current	<150mA	
Working Temperature	-15°C~+55°C	
Protection	Overvoltage, anti-thunder and undervoltage protection	
Product Size	160*130*15mm	180*140*15mm
